If you're looking for imported wearables, you won't find any in this book.
AKWA is dedicated to making only MADE IN USA apparel.

And we are the oldest continuing supplier of casual corporate apparel
to the ASI and decorated apparel industry.

The absolute BEST no-curl collar you'll ever find.
It doesn't even curl coming out of the washer and dryer!

The absolute BEST soft shell jacket you've ever worn.
Many call their stiff jackets 'soft shell'. Ours embodies the word SOFT.

The finest fleece you've ever worn.
Wear it as we stock it or customize the hood liner or customize the contrasting colors.

Our customers tell us it's practically impossible to find MADE IN USA dress shirts.
We make men's and women's in various fabrics and colors.

Do you need a loop for glasses, pocket, or private label?
We can sew some or all of those for you quickly with no minimum.

AKWA offers expert, affordable embroidery
Pre production and virtual proof service available.

AKWA ...MADE IN USA, but so much more!

HOW TO BUILD A CUSTOM AKWA SHIRT

1. Choose a style:

Modify any AKWA style or let us
develop your idea or product image.

2. Choose a fabric and color:

Most AKWA fabrics can be manufactured
in any style. Make sure the fabric you
choose is available in the desired color.

3. Choose the construction details:

Short sleeve, long sleeve, or 3/4 sleeve.
Button placket, v-neck, or zippered
placket. Standard shoulder or raglan
shoulder. Add or subtract a pocket.
Sew a custom label. Or tell us what
you need!

4. Choose a decoration or order blank

Embroidery is our specialty.

Custom projects require a 144 pc min.
Allow 4+ weeks for production.
Some projects are more complex, and may require
a longer lead time and/or a larger minimum order.
Call your distributor for custom quotes.
